

LIESL (ELIZABETH) BROADBRIDGE, PhD, SCM, CGC

broadbridgeea@gmail.com | liesl_broadbridge@dfci.harvard.edu | (608) 692-9419

EDUCATION & TRAINING**Dana-Farber Cancer Institute, Division of Population Sciences***Post-Doctoral Research Fellowship*

PI: Jennifer Mack, MD, MPH

Funding: NCI K00 Award (K00CA294165)

Boston, MA

2026-Current

Rutgers University – New Brunswick*PhD in Health Communication*

Advisor: Kathryn Greene, PhD, MA

Dissertation: Comparing post-test genetic counseling with and without pre-test counseling:

The evolving landscape for optimizing cancer care

Funding: NCI F99 Award (F99CA294165)

New Brunswick, NJ

2021-2026

Johns Hopkins University, Bloomberg School of Public Health*ScM in Genetic Counseling*

Advisors: Debra Roter, DrPH & Lori Erby, PhD, ScM, CGC

Thesis: The influence of the physical environment in simulated genetic counseling sessions

Funding: NIH Pre-Doctoral Intramural Research Training Award (below)

Baltimore, MD

2018-2021

The National Institutes of Health, National Human Genome Research Institute & NCI*Pre-Doctoral Research Fellowship*

PI: Lori Erby, PhD, ScM, CGC

Funding: NIH Pre-Doctoral Intramural Research Training Award

Bethesda, MD

2018-2021

The National Institutes of Health, National Human Genome Research Institute*Post-Baccalaureate Research Fellowship*

PI: Paul Liu, MD, PhD

Funding: NIH Postbaccalaureate Intramural Research Training Award

Bethesda, MD

2016-2018

University of Wisconsin – Madison*BS in Biochemistry | Minor in Graphic Design*

PI: Anna Huttenlocher, MD

Madison, WI

2012-2016

HONORS & AWARDS

- 2026, May. Outstanding Graduating Student, Rutgers School of Communication & Information
- 2026, Apr. Meritorious Abstract awardee, Society of Behavioral Medicine
- 2026, Apr. Top Conference Paper, Kentucky Conference on Health Communication
- 2025, Nov. Top Abstract finalist, National Society of Genetic Counselors
- 2024, Jun. Pilot Award, Rutgers Cancer Institute
- 2024, Apr. Dissertation Grant, Rutgers School of Communication & Information
- 2023, Sep. NCI Predoctoral to Postdoctoral Fellow Transition Award nominee, Rutgers University
- 2023, Sep. National Society of Genetic Counselors competitive travel grant
- 2023, May. Outstanding Doctoral Student, Rutgers School of Communication & Information
- 2022, Nov. Philanthropic Educational Organization national scholar nominee
- 2022, Oct. Travel grant, National Communication Association
- 2022, Jun. Summer Research Scholarship, Rutgers School of Communication & Information Director
- 2022, May. Outstanding Teaching Assistant, Rutgers School of Communication & Information
- 2022, May. Outstanding Doctoral Student nominee, Rutgers School of Communication & Information
- 2022, Jan. Top abstract panel, Rutgers-Princeton University Cancer Research Symposium

2018, May Outstanding poster presentation award, NIH Post-Baccalaureate Research Day
 2017, May Outstanding poster presentation award, NIH Post-Baccalaureate Research Day

22. **Broadbridge, L.** (2026, May 27). *Post-test genetic counseling: The evolving landscape for optimizing cancer care* [Invited speaker]. Communication Research Group, Huntsman Cancer Institute, University of Utah, Salt Lake City, UT.
21. **Broadbridge, L.** (2026, May 11). *Disclosure decision-making in post-test genetic counseling* [Guest speaker]. Genomics, Risk & Health Decision-Making Laboratory, Memorial Sloan Kettering Cancer Center, New York, NY.
20. **Broadbridge, L.** (2026, April 16). *Survey design: Practical considerations for genetic counseling research* [Guest lecture]. Genetic Counseling Master's Program Thesis Development, Rutgers University, New Brunswick, NJ.
19. **Broadbridge, L.** (2025, October 30). *Presenting research: Strategies for effective communication* [Guest lecture]. Thesis Development, Johns Hopkins University, Baltimore, MD.
18. **Broadbridge, L.** (2025, September 26). *Disclosure decision-making in post-test genetic counseling: Project results* [Guest speaker]. Genomics, Risk & Health Decision-Making Laboratory, Memorial Sloan Kettering Cancer Center, New York, NY.
17. **Broadbridge, L.** (2025, March 6). *Survey design: Practical considerations for genetic counseling research* [Guest lecture]. Genetic Counseling Master's Program Thesis Development, Rutgers University, New Brunswick, NJ.
16. **Broadbridge, L.**, & Venetis, M. (2025, January 22). *Effective communication* [Invited speakers for the Education Research Group]. Department of Surgery, Indiana University School of Medicine, Indianapolis, IN.
15. **Broadbridge, L.** (2024, November 7). *Presenting research: Strategies for effective communication* [Guest lecture]. Thesis Development, Johns Hopkins University, Baltimore, MD.
14. **Broadbridge, L.** (2024, September 20). *Disclosure decision-making in post-test genetic counseling* [Guest speaker]. Genomics, Risk & Health Decision-Making Laboratory, Memorial Sloan Kettering Cancer Center, New York, NY.
13. **Broadbridge, L.** (2024, April 11). *Operationalizing communication in medical interactions* [Guest speaker]. Palliative Care Research Group, Rutgers University, New Brunswick, NJ.

12. **Broadbridge, L.** (2024, March 22). *Genetic Counseling as a biomedical career* [Invited speaker]. Undergraduate Seminar, Biology Department, Northern Michigan University, Mount Pleasant, MI.
11. **Broadbridge, L.** (2024, March 7). *Survey design: Practical considerations for genetic counseling research* [Guest lecture]. Genetic Counseling Master's Program Thesis Development, Rutgers University, New Brunswick, NJ.
10. **Broadbridge, L., & Greene, K.** (2023, December 18). *The role of support people in prostate cancer patient-oncologist communication: A preliminary report and overcoming recruitment challenges* [Guest talk]. Cancer Prevention and Control program seminar, Cancer Institute of New Jersey, New Brunswick, NJ.
9. **Broadbridge, L.** (2023, November 9). *Presenting research: Strategies for effective communication* [Guest lecture]. Thesis Development, Johns Hopkins University, Baltimore, MD.
8. **Broadbridge, L., Lowe, C.** (2023, April 14). *Using theoretical frameworks in research design* [Graduate-level course, invited lecture]. Thesis Development, Johns Hopkins University, Baltimore, MD.
7. **Broadbridge, L.** (2023, February 21). *Interpersonal communication and health outcomes* [Guest lecture]. Introduction to Communication, Rutgers University, New Brunswick, NJ.
6. **Broadbridge, L.** (2023, February 1). *Improving post-test genetic counseling: The evolving role of telehealth* [Invited speaker]. Philanthropic Educational Organization, NJ Chapter, Princeton, NJ.
5. **Broadbridge, L.** (2022, December 12). *Health literacy in practice* [Graduate-level course, invited panel participant]. Health Literacy: Challenges and Strategies for Effective Communication, Johns Hopkins University, Baltimore, MD.
4. **Broadbridge, L.** (2022, November 3). *Presenting research: Strategies for effective communication* [Guest lecture to prepare genetic counseling students for oral thesis defense]. Thesis Development, Johns Hopkins University, Baltimore, MD.
3. **Broadbridge, L., Greene, K., Venetis, M. K., Lee, L. E., Buckley de Meritens, A., Catona, D., & Devine, K. A.** (2022, October 14). *The influence of perceived provider empathy on disclosure decision making* [Guest speaker]. Cancer Survivorship and Outcomes Center, Rutgers Cancer Institute of New Jersey, New Brunswick, NJ.
2. **Broadbridge, L.** (2022, February 24). *Rare Disease Week Legislative Conference* [Invited moderator; 1,300 attendees]. Rare Disease Week Legislative Conference, Washington, D.C.
1. **Broadbridge, L.** (2017, April). *Generation and characterization of a zrsr2 zebrafish model* [Guest speaker]. Developmental Genomics Section, National Human Genome Research Institute, Bethesda, MD.

GRANT ACTIVITY

National Cancer Institute, National Institutes of Health

Predoctoral to Postdoctoral Fellow Transition Award (F99/K00) (K00CA294165)
K00CA294165 (PI Broadbridge)

2026-2030

\$360,960

Title: Leveraging informatics to improve communication and outcomes of genetic counseling:
The evolving landscape for cancer care

National Cancer Institute, National Institutes of Health

Predoctoral to Postdoctoral Fellow Transition Award (F99/K00) (F99CA294165)
F99CA294165 (PI Broadbridge)

2024-2026

\$73,391

Title: Comparing post-test genetic counseling with and without pre-test counseling: The evolving landscape for optimizing cancer care

Rutgers School of Communication and Information

2025-2026

Grants for Individual Faculty Research (PI Greene; Co-I Broadbridge)

\$4,500

Title: Companion influence on patient communication during prostate cancer care

Rutgers Cancer Institute

2024-2025

Cancer Center Support Grant Support (P30CA072720) (PI Broadbridge)

\$1,200

Title: Comparing post-test genetic counseling with and without pre-test counseling: The evolving landscape for optimizing cancer care

Rutgers School of Communication and Information

2024-2025

Dissertation Grant (PI Broadbridge)

\$2,000

Title: Comparing post-test genetic counseling with and without pre-test counseling: The evolving landscape for optimizing cancer care

Rutgers Cancer Institute

2022-2023

Cancer Survivorship and Outcomes Center Award (Co-I's Broadbridge, Devine, Greene)

\$4,800

Title: Psychological adjustment across the breast cancer illness trajectory: Perceptions of provider empathic communication and facilitating holistic cancer care

Rutgers Cancer Institute

2022-2023

Cancer Prevention and Control Research Stimulus Small Awards (MPI Broadbridge)

\$15,000

Title: Companion influence on patient communication during prostate cancer care

SERVICE & TEACHING

Service Leadership Positions

2025-2027	Committee member, Research, Quality, and Outcomes Committee, National Society of Genetic Counselors
2023-2025	Graduate student representative, Health Communication Division executive board, National Communication Association
2022	Steering Committee, Rutgers' Symposium on Racial Disparities in Healthcare Communication, New Brunswick, NJ
2019-2020	Co-Chair, JHU Health, Behavior, and Society Student Organization, Baltimore, MD

Ad-Hoc Reviewer

2024-	Genetics in Medicine
2024-	Psycho-Oncology

Teaching Assistant Positions

‡ Graduate level course

2025	Research in Genetics (lead mentor), Rutgers University (Spring 25)
2024-2025	Independent Study (co-mentor), Rutgers University (Fall 24, Spring 25)
2024	Research Methods, Rutgers University (Spring 24)
2022-2023	Communication Theory, Rutgers University (Fall 22, Fall 23)
2021-2023	Introduction to Communication, Rutgers University (Fall 21, Spring 22, 23)

2020 ‡Health Literacy: Challenges and Strategies for Effective Communication, Johns Hopkins University (Spring, 20)

Advisees & Committee Membership

† Undergraduate student

‡ Graduate student

2025-2026 ‡Jessica Rizzo (committee) – Genetic Counseling Master’s Program, Rutgers University
Capstone: A Snapshot of Genetic Counselor Workup for Recurrent Pregnancy Loss

2024-2026 †Abigail Schmitt (primary research mentor) – Research in Genetics, Rutgers University
Capstone: Post-test genetic testing anxiety: Improving health through effective communication and uncertainty reduction
Current: Genetic counseling graduate student at Rutgers University

2025-2026 †Hailey Langley (primary mentor) – Independent Study, Rutgers Honor’s College
Capstone: Emotional satisfaction and disclosure: How addressing emotions shapes the patient-counselor relationship in genetic counseling

2025-2026 †Harshini Shankar (primary mentor) – Research Assistant, Rutgers University

2024-2025 †Michelle Bae (primary mentor) – Independent Study, Rutgers University

PUBLIC POLICY

2021-2023 Health policy consultant, The EveryLife Foundation for Rare Diseases

2021-2023 Rare disease representative, National Society of Genetic Counselors’ Policy Coalition

2021 Public policy fellowship, The EveryLife Foundation for Rare Diseases

2020-2021 Public policy internship, The EveryLife Foundation for Rare Diseases

PROFESSIONAL AFFILIATIONS

2023- Genomics, Risk & Health Decision-Making Laboratory member, Memorial Sloan Kettering Cancer Center

2021- National Society of Genetic Counselors member

2026-2031 American Board of Genetic Counselors Diplomate – Recertification Completed

2025-2026 Member of the Scholars and Early-Stage Advancement Initiative, Rutgers Cancer Institute

2021-2026 Member of the Cancer Survivorship and Outcomes Center, Rutgers Cancer Institute

2021-2026 Member of the Cancer Prevention and Control Research Program, Rutgers Cancer Institute

2021-2024 International Communication Association member

2021-2025 National Communication Association member

2021-2026 American Board of Genetic Counselors Diplomate

2020-2021 Maryland and D.C. Society of Genetic Counselors member

CLINICAL EXPERIENCE

Genetic Counseling Positions

2022-2025 National Human Genome Research Institute, genetic counselor
The Genomic Services Resource Program

2021 Parent Project Muscular Dystrophy, genetic counselor

Genetic Counseling Training (2018-2020)

64 hours Prenatal genetic counseling, Johns Hopkins Hospital, Baltimore, MD

64 hours Prenatal genetic counseling, Washington Hospital Center, Washington, D.C.

64 hours Cancer genetic counseling, Mercy Hospital Center, Baltimore, MD

24 days	Cancer genetic counseling, Greater Baltimore Medical Center, Towson, MD
30 days	National Human Genome Research Institute, Bethesda, MD
64 hours	National Institute of Allergy and Infectious Diseases, Bethesda, MD
24 hours	Connective tissue, Johns Hopkins Hospital, Baltimore, MD
24 hours	Skeletal dysplasia, Johns Hopkins Hospital, Baltimore, MD
8 hours	Muscular dystrophy, Johns Hopkins Hospital, Baltimore, MD
24 days	Adult genetics, Greater Baltimore Medical Center, Towson, MD
128 hours	Adult neurology, Johns Hopkins Hospital, Baltimore, MD
128 hours	Pediatric neurology, Kennedy Krieger Institute, Baltimore, MD
64 hours	Genetic testing laboratory, GeneDx, Gaithersburg, MD
